Memo

President's letter no. 210

dated the 23rd December 1901 submitting an estimate for Rs 10,000/- for opening out Conservancy lane and a few cross roads in the old Taragpet of the Bangalore City -

This estimate is for improving the old Taragpet by opening out a ~~lane~~ ^{to the south} Conservancy lane, and a few roads, and Mr. Lee, the Sanitary Superintending Engineer, proposed to meet the cost from the sum of Rs 10,000/- placed at his disposal by the late Plague Commissioner in Mysore ~~for the purpose of the said Taragpet~~. It is submitted that

< Please see No 424 & 7 th August 1900. Vide file marked A

the said sum of Rs 10,000/- was placed at Mr. Lee's disposal for the purpose of "opening out Patnoolpet". (Please see Docket No 424 of the 8. August 1900 in the file of papers marked A)

In October 1900 the SL 16 in 43-98

President submitted for sanction
an estimate for Rs 41,700/- ~~received~~
prepared by Mr. Lee for "improving
the surroundings of the old Taragpet"
in the City. The Municipal
Board had approved of the several
improvements provided for by Mr.
Lee and had resolved as follows:—

"That the estimate be sub-
mitted to Government with the
remark that the Board are
unanimously of opinion that
this is a very necessary work
which requires to be done at once
and with a prayer that the
Govt may be graciously pleased
to advance the sum wanted as
a loan to the Municipality". (vide
sl no $\frac{16}{B}$)

4. The matter having been
placed before the Council
on the 10th Nov 1900, the
following resolution was arrived
at

at:-

" That the Municipal Commissioners of the Bangalore City be asked, with reference to their application for a loan of Rs 4,700/- for improving the surroundings of the old Taragupet, to explain what provision they have made towards the repayment of loans already granted to them from time to time, and how they propose to repay the loan now asked for "

5. Thus the question merges itself in the general question of permitting the Board to raise a loan of 350000/- on the open market. For the punctual repayment of such a loan, the Board applied to Govt to be relieved of the Charitable Medical and Sanitation charges in this connection the Commissioners proposed to discontinue

discontinue the Municipal grant of Rs 200/- which is being paid to St. Martha's Hospital. On this, the President was asked to report, so far back as 10th August 1901, whether St. Martha's has broken any of the conditions of the grant to justify the procedure suggested by the Commissioners. No reply has been received yet.

2. If it has been received I believe. The Comins recommend the continuance of the grant but from Provincial funds.

6. In November last, however, the President submitted estimates for an aggregate sum of Rs 8,776/- as per marginal detail for "improving the old Taragupet" and stated that the cost would be met from the current year's Budget grants.

1. For constructing a combined sewer and storm water drain - 6955

2. For constructing V-shaped burnt stone slab surface drains - - - - 688

3. For re-forming old Taragupet road - 1133
Rs 8776

7. The Dewan sanctioned the estimates and directed that they should be revised in the P.W. Secretariat. They were accordingly sent to the Chief Engineer with letter no. 9665 of 19.12.1901. File marked B.

(Order since issued No. file B.)

8. Submitted for orders
as to whether the estimate now
received from the President
may be ~~forwarded to the~~
~~Chief Engineer for check and~~
~~return.~~
Sanctioned, ~~and approved~~ as the
cost is proposed to be met
from the sum of Rs 10,000
already placed at the
disposal of the Sanitary
Superintending Engineer
for the work, i.e. opening
out of Patnoolpet. It may
be noted here that from
the accounts received from
the Sanitary Superintending
Engineer, a sum of Rs 6,344-4
appears to have been spent
on the work out of the said
sum of Rs 10,000 up to the
end of September, 1901

This subject was being
tacked on to another

With the above, the President
submitted for sanction an estimate
for Rs.10,000/- for opening out a
conservancy lane to the south of
the old Tharagpet and a few cross
roads received from the Superin-
tending Engineer, Sanitary Works

the letter of credit in question
has been continuously
operated upon till the
end of January 1902, in

Engines have been made both in the Comptroller's and Examiners' offices, by H. Moor as directed.

The sum of Rs 7689-12 was debited to the Plague Budget in the first instance and finally, to the Civil Budget. Its present sum of Rs 23110 should also be dealt with similarly under Govt order no 745-787 8-12-00. This is what the Comptroller's office say.

2 The Examiners' office however considers that the order no 745-787 8/2,

actioning a supplemental
grant of Rs 2340, having
been passed subsequent
to the Financial Proviso 1150-

Sanctioning an estimate for removing
and re-building Patnulpet, Bangalore City.

*Proceedings of the Government of Mysore, Local Boards (Plague),
dated 23rd January 1902.*

READ—

Para 3 of the diary of the Health Officer, Bangalore City, dated the 5th October 1901, suggesting that accommodation may be provided at Government cost to the working classes in the Bangalore City, and given to them on rent-purchase system.

ALSO—

Correspondence ending with Memo No. 5947, dated the 14th November 1901, from the Chief Engineer of Mysore, forwarding two alternative estimates for constructing cooly huts as also an estimate for Rs. 28,000, for removing and re-building Patnulpet, Bangalore City.

No. 12057-61—L. B. (P.) 1369, DATED BANGALORE, 23RD JANUARY 1902.

ORDER THEREON.—The estimate for Rs. 28,000, for the removal of Patnulpet is sanctioned, the amount being spent for the construction of new houses for accommodating those whose houses are taken up for demolition without payment of compensation. It is believed that the consent of the residents of these houses has been obtained to the adoption of the above course.

2. The site for the new Patnulpet should be selected in consultation with the Senior Surgeon and Sanitary Commissioner with the Government of Mysore.

3. The question of constructing sheds for the accommodation of the houseless and migrating coolies will be deferred for the present.

Chief Engineer of Mysore.

To,

H.V. Nunjundaiyya Esquire, M.A, M.L.

Secretary to Government of H.H. the Maharajah of Mysore
General and Revenue Departments.

Sir,

With reference to Government Proceedings No. 16845-7/L.B.
(p) 1725 dated 14th April 1902, sanctioning an estimate of Rs.
10,000/- for improving the old Tharagupet, Bangalore City to be
carried out from the sum of Rs. 10,000/- placed at the disposal
of the late Superintending Engineer, Sanitary works, I have the
honor to inform you that an outlay of Rs. 7660 was incurred on
the above work up to end of 30th June 1903 and the same debited
to Civil Department for adjustment. An appropriation of Rs. 2340
being the unexpended balance of the estimate referred to above,
has been applied for by the Superintending Engineer, Eastern Circle
for expenditure during current official year, and I request that
you will be so good as to obtain the sanction of Government to
a supplemental grant being made for the purpose so that the
expenditure may be finally charged to this department as required
by para 38 of Government Proceedings No. F.L. 1150-1192-18-1901-02
dated 7th February 1903.

I have the honor to be
